	XS	S	M	L	XL	XXL	XXXL
Rain Parka							
The widest point	112	116	120	126	130	134	140
(waist, chest or hips)							
Arm length from the middle of the back of your neck, down to your wrist.	84	86	87	90	90	91	92
The length on the jacket from shoulder and down	87	88	90	91	92	92	92
Rain Pants w/bib							
Length inseam	72	73	75	76	77	79	
Hip width (on the widest point)	120	126	132	140	146	158	-
Note: the pants should not sit tight, let it be 5-10 cm extra width.							

We suggest to add 5-10 cm extra for layering on extra cold days. The Jackets are Unisex, so the sleeve length might be a bit long for ladies, but it's easy to fold. The pants shouldn't sit tight.
